**Moorestown, NJ**

**Macy's Court**

## **ABOUT THE ROSE SOCIETY**

The West Jersey Rose Society was organized in 1953 by a group of dedicated people, headed by the late Mr. and Mrs. Maurice Sinclair, whose purpose was to promote the growth and exhibition of better roses by its members. The next year the first Rose Show was held. This has become an annual affair held on the first weekend in June.

## **ENTERTAINING AND INFORMATIVE MEETINGS**

The Society holds its meetings on the third Wednesday of each month, except July and January, at 7:30 P.M. Each meeting is followed by a period of refreshments when members and friends can sit around and enjoy the company of others having the same interest in growing good roses. Anyone interested in roses is welcome to attend. Call our Membership Chair, Terry Palise, at 609-896-2011 for more information.

## **DISCOUNT ON SUPPLIES**

Every effort is made to provide the membership with the latest information on the new varieties of roses, new insecticides and fungicides, mulches, etc., and to make these available to the members at reasonable cost. Rose Culture information is constantly discussed at the meetings. Good points, as well as bad, of all new rose introductions are thoroughly covered.

## **ROSE SHOW AND BANQUET**

The year's activities are high-lighted by the Annual Rose Show and the July Banquet. At the Banquet, Show Trophies are awarded, and officers for the forthcoming year are installed.

## **WHO ARE WE?**

Although we are titled WEST Jersey Rose Society, our membership includes residents of the entire Delaware Valley. The West Jersey Rose Society is an affiliate member of the American Rose Society.

## RULES AND REGULATIONS

1. Entries will be received Saturday, June 6 from 7:00 AM to 10:30 AM. Exhibitors should enter the Moorestown Mall from Route 38 side. Exhibitors must be very careful to keep water off the floor. **NO WATER IS TO BE DUMPED IN THE PLANTERS.**
2. Judging will begin at 10:45 AM. Only Judges, the Show Committee, and Clerks will be permitted on the show floor during judging.
3. The West Jersey Rose Society, the Moorestown Mall and the Preit Corporation will exercise due caution in safeguarding exhibits. They cannot be held responsible for any damage to, or loss of, any exhibitor's equipment or supplies.
4. The American Rose Society Rules on exhibiting and judging will be followed. The ARS Color Groups and exhibiting names to be used in this show are found in the latest editions of the *Handbook for Selecting Roses and ARS Exhibition Names*, *The Combined Rose List*, *American Rose Annual* "New Roses of the World" section, and *Modern Roses*. In case of disputes, ARS publications will be the final authority.
5. Anyone may exhibit in any class in the Horticultural Section provided the exhibitor has grown the roses outdoors in their own private garden. Membership in a Rose Society is not required.
6. An exhibition bloom is a specimen, which has one bloom per stem without side buds. At its most perfect phase of possible beauty, an exhibition bloom is generally one-half to two-thirds open, petals symmetrically arranged in a circular outline, and tends to have a high center. A single is one with 4 to 8 petals and is generally at its most perfect phase when fully open. A bud is not a bloom and cannot be considered for any award for a bloom. A spray is a specimen which has two or more blooms per stem, with or without unopened side buds.

7. Stem length should have a pleasing relationship to the bloom size: large blooms stem length 15" to 20" and miniatures 4" to 8" (lengths are approximate and may not hold for all classes of roses).
8. Green, dry floral foam, plastic material, Oasis, wax paper, aluminum foil or foliage may be inserted in vials as a wedge for support, but must not show above the top of the vial.
9. Any specimen may have unwanted side growth, side buds, and/or spent blooms removed to improve its appearance. Presence of a foreign substance (leaf polish, etc.) on bloom, stem, or foliage will disqualify the specimen.
10. An exhibitor may make as many entries as desired in each general color class, provided each entry is a different variety, but may only make one entry in each name class, collection, and challenge class. More than one member of a family may enter if each member has grown the roses they enter.
11. Entries must be shown in the proper container, correctly named, classified, and tagged with an official ARS entry tag bearing the variety name, section, class number, exhibitor's name, address and number. The exhibitor number is the exhibitor's registration number. Tags will be available in the set up area. Class numbers are in bold type in the schedule. Misnamed, misplaced, or unlabeled entries will be disqualified. Please use standard tags for all challenge classes including miniature challenge classes.
12. In a general color class each specimen competes for ribbons only against other specimens of the same variety.
13. Judging of the Horticulture Section will be carried out by ARS accredited and apprentice judges who follow ARS standards. Judges may make or withhold awards as in their opinion the entry merits. The decision of the judges is final. A blue ribbon is required for a trophy award.
14. Exhibits must remain in place until 6:00 P.M., Saturday, June 6. Exhibitors desiring to pick up their roses and ribbons when the show closes will be allowed to do so then.

- 15. All WJRS trophies are perpetual and must be returned to the Trophy Custodian the following spring prior to the show. To qualify for perpetual trophies, one must be a WJRS member in good standing thirty days prior to the show date.
- 16. It is the policy of the WJRS that all perpetual trophies remain within Society jurisdiction.
- 17. Trophies will be presented at the awards dinner, which will be held on Wednesday, July 21, 2010 at 6:30 p.m. at the Ventura's Restaurant in Voorhees, NJ.
